Camping is at the Huntersville Canoe Outfitters. It is a huge pasture, so the camping is primitive. Plan on tying to your trailer or putting up pens. There will be potable water and porta-potties; no electric. No reservations needed; there is PLENTY of room for everybody. There is a clear, slow, shallow river within walking distance – great for swimming with or without horses! There is also a bar & grill right next to ride camp.

Trails have good footing – grass, dirt, some fine gravel. Mostly two-track and single-track trails through the woods, and it's mostly flat terrain. Nice easy trail for a first 100-mile!! TRAILS ARE BAREFOOT-FRIENDLY! There will be natural water and water tanks along the trail. All vet checks are in camp.

The 2nd loop of the “night” LD is in the dark; we put small LED lights on trail: IT'S FUN!!!
