### CAMPING @ Sully Creek State Park – **NEW LOCATION!!!!!!**

- There are 28 electric sites. Primitive camping is also available.
- Camping is \$25/night electric, \$15/night for non-electric.
- There is a State Parking Fee of \$7/day or \$15 annual, we would appreciate you spending the extra \$1 if you're staying 2 nights and buying the annual.
- Only under special circumstances will you be allowed to NOT use a designated pen for your horse. Grass is hard to grow in the badlands and the land will have a hard time recovering from our horses trampling it. We will do our best to get your pen as close to your trailer as possible. There are 68 pens, we should have no problem having a pen for every horse. There is no additional fee for the pens.
- Certified hay is **not** required in camp.
- All horses must have negative coggins.
- Out of state horses need health certs, check with your vet if you have questions.
