

SULLY CREEK STATE PARK

14651 36th St

Medora, ND 58645

July 20 & 21, 2024

All proceeds from this ride go to SAVE THE MDH (a volunteer based 501(c)(3) nonprofit organization dedicated to maintaining the Maah Daah Hey Trail). Check them out on Facebook

IMPORTANT INFO, PLEASE READ!!!

This ride is weather permitting, if we get significant rain in the days prior to the ride, it could deteriorate the trail forcing us to cancel! If we get significant rain *during* the ride, we will get you off the trail and reroute using roads to get you safely back to camp, this could mean a reduction in overall mileage. We will do EVERYTHING we can to hold the ride but, our first priority is your safety, our second is not doing significant damage to the trail.

The campground has limited space. Due to this, we do not allow non entered riders to reserve campsites. You MUST be entered in a ride in order to make reservations. If ride camp becomes full we have alternative locations you can camp and either ride in the morning of the ride or drive in and park in "day parking".

We have the entire horse camp blocked out; you will not be able to make reservations for Friday- Sunday online. If you are coming early or staying late, you will make that online, but please let us know prior to making reservations online so we can have you make reservations for the coordinating campsite.

Contact Jutta for reservations - juttainminot@gmail.com or 701-240-7849

- There are 28 electric sites @ \$ 25/night. Primitive @ \$15/night.
- State Parking Fee is \$7/day or \$15 annual.
- Horses must be kept in state park provided pens. There is no additional fee for the pens.
- Certified hay is **not** required in camp. The state park sells hay, it is usually good quality.
- All horses must have negative coggins. Out of state horses need health certs & brand inspections. We will have a brand inspector on site on Friday or Saturday, if you need one, he can provide it for you.

TRAIL INFO—

- Most of the trail is single track and somewhat remote. Be prepared for all weather conditions!
- Hoof protection recommended, however there is very little rock on this trail. You know your horse, do what's in their best interest.
- Both days, all distances will have an out check. Water, certified hay, beet pulp and other feed will be provided for horses and snacks, water and Hammer nutrition for humans.
- Both days, all distances, will be an out and back format. In different directions each day.
- Be prepared to open gates, I'm not going to lie, there are a lot, this is cattle country!!
- Be prepared to meet mountain bikes and other trail users, especially the areas closer to Medora.

FOOD —

- Rider snacks, water and Hammer nutrition products will be provided at the out checks both days.
- Evening meals are on your own, town is close there are several good places to eat there!

RIDE REGISTRATION –

- Online at WWW.MNDRA.COM Go to Ride Pages then Online Registration.

HELMETS REQUIRED FOR RIDERS UNDER 18.

HOWEVER, please do us a favor and for your safety and our sanity, wear a helmet even if you're 18+. Your safety is important to us!! In the past we have had a rider air lifted out with a head injury, this is not something anyone wants to see happen. Thank you!
